Successful Morse Code Test!

A course that served several area clubs, the 5-wpm Morse Code course taught through Niskayuna Continuing Ed, ended with an examination on April 10.

Fifteen had enrolled in the course, and seven completed it. Only three were able to take the test on that final day; all three passed. The other four will take the test within the next several weeks, and it is expected that they will all pass.

Congratulations for their successes to Barbara Leiden, KB2TOQ; Kevin Grucella, KC2GCY; and Mike Corson (who will take his tech exam in May)! ...and good luck, Mike!

The senate passed the bill last year and will likely pass it again very soon this year but we need to also get it passed by the Assembly. If you don't have access to the internet, call Millie Gittinger, KB2SWR for details.

Silent Key

This past month we lost one of the area's more active old timers, W2WBB John Ekran. A friend to all, he was regularly found on many of the nets, such as Carrier Net, Rooster Net, and 4-PM'ers. Many referred to him as "John-BB" to identify him among our old timers named "John". He surely will be missed on the air. Our sympathies go to his family. - W2ODC
