SARA 75th Anniversary Dinner Celebration

MONDAY MAY 2, 2005 6 P.M. at Glen Sanders Mansion, Scotia NY

In place of our regular SARA meeting, the May 2 meeting will be a very special 75th Anniversary of the Schenectady Amateur Radio Association. This year is SARA's 75th anniversary and we will be celebrating it this month by having a special dinner at the Glen Sanders Mansion on Mohawk Ave. (Rt. 5 next to the bridge). The event will feature the very finest dining available in the area as well as displays of SARA's past history over the last 75 years. The program will feature recognition of SARA activities, members of past and present as well as a very special presentation on the history of the Schenectady area's technology legacy.

Over the years SARA has been one of the most continuously active amateur radio clubs in the U.S. During the early days of SARA our club was situated quite literally at the center of the most advanced electronic technology in the nation at GE. Among the hams in this area who attended our meetings where hundreds who were among the leaders in advancing the state of the art in electricity and electronics. While times and technology has changed SARA and its ham radio legacy has continued into the new Millennium and with some luck may well make it into it's 100th year someday. It is only fitting that this celebration of our club's distant and recent past

The 146.865 repeater is back on the air after an absence of about 5 years. A new antenna has been purchased and installed. The repeater itself has also been refurbished. It plays very well in the tri-cities area and even beyond. It currently has an output of approximately 80 watts. Please give it a try and give us your report on it .. good or bad. E-mail replies may be sent to Dennis Kagel KADELL@mybluelight.com or MaryAnn Kramer Travelnow@capital.net

will be amid the elegant dining of the Glen Sanders Mansion, one of the premiere banquet facilities of upstate New York. Of great significance is the fact that it is across the river from the former Hotel Van Curler (now Schenectady County Community College) where a number of historic ARRL Hudson Division Conventions were held in the 1930s which were hosted by the SARA club. In 1980 SARA celebrated the 50th anniversary and that was a very special event, so much has happened in the last 25 years that we know this too will be a very special time.

You must have a reservation and ticket to attend this dinner so please, if you haven't gotten yours yet contact George Williams, W2CSN williamg@tardis.union.edu 377-6188. Please do so ASAP by no later than April 28 since prior reservations are required. Please note this celebration begins early at 6 PM on Monday May 2, 2005 so don't be late.

We all look forward to seeing you at this very special event.
