June, 2005

SARA General Meeting, April 4th, 2005 at 7:30PM, Niskayuna High School New Cafeteria

Annual Business Meeting

Major Bryan Stratton tries his fist on the straight key

This month will be the Annual Business Meeting and will include the election of 2005-2006 SARA Officers. There will also be some exhibits of SARA Club history from the 75th Anniversary. There will be a discussion of upcoming Field Day operations on the weekend of June 25th. This will be the last meeting before field day so bring your questions for Jay and be prepared to volunteer for field day activities.

SARA's 75th Anniversary Dinner, a Great Success

N2FF Presents a certificate to SARA, received by President Ramsay Seielstad KC2GMW

Photo courtesy of Jay Freud

The 75th Anniversary Dinner and Celebration was held May 2, 2005 at the Glen Sanders Mansion in Scotia. It was attended by 85 SARA members and guests. SARA President Ramsay Seielstad accepted a special proclamation from Mayor Bryan Stratton of the City of Schenectady honoring SARA's 75th Anniversary.

ARRL Hudson Division Director Frank Fallon N2FF also presented a certificate from the ARRL, he noted that SARA became an ARRL affiliated club about a year after it was formed and will be receiving further recognition of that event next year.

Board Meeting

Schenectady Amateur Radio Association
Board Meeting April 28, 2005

The meeting was called to order by President, Ramsey Seielstad, KC2GMW, at 7:03 PM in lab room N106 just outside the W2UC shack on the Union College Campus.

Attendees: President, Ramsey Seielstad, KC2GMW
Vice-President, Dan Whelan, N2UD
Treasurer, George Williams, W2CSN
Secretary, Tim Long, W2UI
Director, Millie Gittinger, KB2SWR
Director, Carl Lester, K2YR
Director, Paul Siemers, WY2F
Director, Dennis Hudson, N2LBT
Member, Rudy Dehn, W2JVF
Member, Raleigh Keeter, K2RI
Member, Ken Clikeman, AA2CW
Member, Jay Freud, K2QNU

Minutes: Paul Siemers, WY2F, made a motion to accept the minutes as published in SARA News. George Williams, W2CSN, seconded the motion and it passed unanimously.

Treasurer's Report: George Williams, W2CSN, presented the Treasurer's Report. Tim Long, W2UI, made a motion to accept the report. The motion was seconded by Paul Siemers, WY2F, and it passed unanimously.

Correspondence: Tim Long, W2UI, reported that, since the last Board Meeting, we had received the Fleet bank statement, the Verizon statement, several dues renewals, several ticket sales, 12 returns from our mailing for bad addresses, a notice that our PO Box fee was due, emails regarding Field Day, and an email that a test session would be held on 5/10/05.

New Members: None.

Membership: No Report.

Public Service: Raleigh Keeter, K2RI, reported that the Crop Walk would be on 5/1, the Niskaday Parade would be held on 5/21 and the Scotia Memorial Day Parade would be on 5/25. Raleigh reviewed plans for the 75th Anniversary Special Event.

Programs: Dan Whelan, N2UD, announced that the May meeting would be the 75th Anniversary Dinner at the Glen Sanders Mansion and that the June meeting would be the annual business meeting.

Public Relations: No chairman. No report.

Newsletter: The newsletter was issued on time.

RFI: Rudy Dehn, W2JVF, reported that no complaints nor requests for assistance had been received.

Repeater Committee: No report

VE Sessions: The team plans to conduct a test session on 5/10/05.

Anniversary Committee: George Williams, W2CSN, reported that current ticket sales are 83. Dan Whelan, N2UD, summarized the accommodations and arrangements that had been made. Last minute details were discussed.

Old Business: Nominating Committee – The Board discussed more possible candidates for planned open positions. Many candidates are happily stepping forward and agreeing to serve. The Secretary's position is still vacant. If you are interested in a Board Position, contact Ramsey Seielstad, KC2GMW.

Field Day – Plans were discussed. This year's Field Day Chairman is Jay Freud, K2QNU. Paul reported that the field, tables, and chairs had been formally requested from the fire house. Rob Fox has agreed to be in charge of food. Joe Brown will head up the GOTA station and public relations. Tim Long will request the Schenectady County Command Center for the GOTA Station. Tim will also develop the layout, antenna plan and do logs. Dennis Hudson will be in charge of computers. George will contract for the porta-potti and reminded everyone that our budget for Field Day was \$750. Tim Long, W2UI, made a motion to purchase 600 feet of RG-213/U cable from Cable Xperts. The current price is 38 cents per foot. The motion was seconded by Millie Gittinger, KB2SWR, and it passed unanimously. Mike Adams will tow the generator, Tim will tow the box trailer, and Dennis will tow the tower trailer.

New Business: None.

The meeting was adjourned at 8:50 PM.

Respectfully submitted, Tim Long, W2UI, Secretary

Amateur Radio Populations

Callsign totals for NY and selected states as of May 17, 2005. About one out of every 415 people in the US is a ham.

New Hams Net

A new net on the 147.06 repeater especially for newly licensed amateur radio operators. The net will meet on Tuesday evenings at 7 pm for one-half hour. It is designed to provide new hams an opportunity to get on the air, share their experiences and ask questions concerning amateur radio. The net will also be open to experienced operators who have a desire to serve as mentors to and share their experience with the "newbies".

Radio Association K2AE**

Niska-Day 2005

SARA hams again provided communications for the Niska-Day parade on Saturday May 21. The weather was almost perfect, especially for the parade in the morning, with sunny skies and cool breezes. There were large crowds throughout the day for the parade and the events at Niskayuna High School.

A table in the information tent was provided to SARA for the special event operation in celebration of the 75th Anniversary of SARA. A low power transceiver was set up with a long wire antenna to operate on 40 meters and higher frequencies. Operation was hampered by a strong RF noise level and high background noise from the large crowds and entertainment on the nearby stage. Several contacts were made, one with station W2UC at Union College where a reunion weekend with an open house was being observed. A good number of visitors stopped by the table at the High School to chat, obtain information about amateur radio or hear Morse code on the code practice set up.

Special thanks go to Rudy, W2JVF; George, W2CSN; Bill, W2DHT; and Andy, KB2TSA for the loan of equipment, their work in getting the equipment and antenna set up, and taken down at day's end.

Thanks also go to the following who provided communications during the parade; Sid, W2SID; George, W2CSN; Ramsey, KC2GMW; Bill, KG2AC; Millie, KB2SWR; Clark, KG2AO; Andy, KB2TSA; Ken, AA2CW; Robert, N2TSE; Bill, W2DHT; Don, W2CJO. Robert, N2TSE, was visiting in the area from Westchester County and offered his assistance which was greatly appreciated. Good job by all!

Raleigh, K2RI@juno.com

WB2SBX Estate

WB2SBX, Fred Nusco went SK this February and his son Al Nusco would like help selling his station including a tower and antenna system. His number is 399-4228

The Empire State Games

July 27th through July 31st.

Pre-registration is a must and has to be completed by June 14th. This will allow time to forward the information to the state so that the proper credentials can be supplied to each volunteer.

Yes, this will be fun. Don't forget that each operator gets a master pass that allows you to go to any other sporting event you might want to see when your shift is open. Volunteers may also request an extra master pass for a family member to see the action. Volunteers are also invited to take part in the opening ceremony. This will be a big event. Boat parade on the Hudson, fireworks and music by the Hudson Valley Philharmonic Orchestra to name a few events.

If you have any questions or want more information contact Frank Stone as soon as possible. You can call him at (845)883-5195 or send e-mail KB2YUR@yahoo.com also you can check this link <http://www.kb2yur.com>

Bob W2XM doing well after Surgery

Bob W2XM went under surgery last month and is recovering well at Sunnyview in Schenectady. He is expected home in a few weeks. His address is below. He is available for visits in the evening, call ahead to check his schedule, he is quite busy, probably teaching a novice course in his free time there. Everyone here wishes Bob a speedy recovery.

Sunnyview Rehabilitation Hospital
1270 Belmont Avenue
Schenectady, New York 12308
Room # 271
Phone: 382-0074 ext. 6216

Field Day 2005!

The time is upon us, visit our web page <http://www.k2ae.org> for a list of committees and activities and contact Jay Freud at 383-3421 to reserve your operating time and favorite setup/takedown activity.

VHF Contest

Everyone is reminded that the June VHF Contest will be held from 2 PM on Saturday June 12 through Sunday 11 PM night. Operations will be on all modes and bands above 50 MHz. On FM no repeater operation is allowed, however contacts can be made on normal FM simplex channels such as 52.525, 146.49, 146.55, 223.50, 446.00 etc. are used with the exception of the 146.52 national 2 meter simplex channel which is not allowed. If this is your first contest try 146.55 FM simplex using the best antenna you can outside or a mobile antenna during the early evening hours or Sunday afternoon between 1-3 PM.

SSB operation is all USB and is around 50.125, 144.200, and 432.100. The QSO exchange is your callsign and your VHF Grid. If you are driving around you are a "Rover" and should use the grid you are currently in. The grids are aligned on one degree of latitude and two degrees of longitude and is typically FN-32, FN33, FN22 or FN23 in this area depending where you live. The vertical east-west dividing line (74 degrees Longitude) goes between FN22 and FN32 goes due north and south of roughly Thruway Exit 25A (I-88) and the North-South dividing line (43 degrees latitude) goes between FN33 and FN 32 runs through the middle of the village of Ballston Spa. The grids further west of there (west of 74 degrees longitude) and north of Galway lake are FN23 and south (of the 43 degree line) are FN-22 and they go down into the Helderbergs. See the May issue of QST or the ARRL website for contest details. Consult a topographic map or a GPS for your coordinates. -Dan, N2UD@arrl.net

Hamfests

The largest hamfest in upstate New York is the Rochester Hamfest which will be held June 3 -5 at the Monroe County Fairgrounds just south of Rochester. Details on their website <http://www.rochesterhamfest.org>
