February, 2013

General Meeting, February 4th, 2013 at 7 PM, Niskayuna High School Little Theatre

Security @Home

Robert Saltzman, WB2ARK

Conceptual and practical insights into how to protect yourself and your family in the highly interconnected information age.

This presentation starts with a conceptual view of the myriad of complex security concerns associated with the vast landscape of modern networked information processing assets, including personal computers, mobile devices, home networks, the Internet, national and international infrastructure, and even transportation - along with a discussion of the characteristics, motivations, methods, and behaviors of the "bad guys."

The SARA meeting will be held Monday, January 7th, 2013 at 7 PM in the Little Theatre of the Niskayuna High School on Balltown Road. Attendees should enter the school through the cafeteria entrance located on the side of the school, adjacent to the Nott Street Extension school parking lot.

Cancellations: If Niskayuna High School cancels evening classes and activities the SARA meeting will normally also be cancelled and possibly rescheduled. Listen in on the SARA 147.060 repeater for meeting status information and whether it is to be rescheduled.

President's Column

Jim K2PK

It is time to start thinking about nominations for this year's Broughton award. This award has been given every year since 1960 (with one exception) at the June annual business meeting. The award itself honors the memory of founding member and past SARA president Henry Primm Broughton, K2AE. The award certificate reads: "Henry Primm Broughton Memorial Award For his devoted and outstanding service to the public, to his fellow radio amateurs, and/or to the Schenectady Amateur Radio Association, this award, the Association's highest honor, is hereby conferred upon:....."

This year it is my turn to head the Broughton Award Committee together with two other previous recipients to be named. Nominations are welcome for anyone you think is worthy of this award. Nominations should include name and call, a brief biography, and list of reasons why the person is worthy of the award. Please get nominations to me by the middle of April. It takes a little time to prepare the award for presentation.

The June business meeting will be here before we

Unofficial Board meeting

A Board meeting was scheduled on January 9, but only 4 board members were in attendance. (Jim Stewart, Frank Simon, Craig Wood and Dan Fiorillo)

The bylaws state a quorum is considered 5 board members be in attendance. Therefore this meeting is not considered a regular Board meeting, but some discussion took place on various club topics.

The discussions were as follows.

Nomination committee needs to be appointed for the June annual election.

Committee to solicit names for the annual Broughton Award needs to be appointed.

Discussed possible subjects and speakers for the regular SARA monthly meetings.

Considering peoples time and expense of attending Board meetings, a discussion took place on the members considering holding Board meetings prior to the regular SARA meeting on 1st Monday.

Also general discussions on grounding, based on the previous regular meeting.

Dan Fiorillo, KC2MER

Swapfest

aprox 8:00am Saturday, March 9, 2013 Solar Building in Ballston Spa.

VE test session at 12 noon.

Editor's Note: Ten years ago, on March 15, 2003, Hal Ak2e and I, N2OMA, got married in the rotunda of the Cornell Cooperative Building in Ballston Spa, with Jim Kryvy, KF2K, Justice of the Peace officiating and several dozen hams looking on. I wasn't a ham back then but one can hardly be married to AK2E and not be bit by the bug. I got my technician's ticket and call sign(KC2DTP) and then upgraded to a General license two years ago at Dayton, chosing N2OMA. If you speak German you may know that Oma is the German term for grandma.

I was hoping for N1OMA, but somebody already had that call sign.

Please come to the Swapfest and say hi. We would love to see you.

A Reminder from Your Editor:

Please send me your articles, pictures and comments for SARA News. My email addresses are antje1@yahoo.com or kc2dtp@gmail.com

If you have articles or pictures in paper form, please send them to me at: Antje Dirksen-Post, P.O.Box 31, Sodus NY 14551.

I will gladly scan them into digital form and add them to SARA News.

SARA Dues Reminder

Have you paid your dues yet? The SARA membership year runs from July to June and the 2012-2013 dues are due. Please use the form on the last page or see Tim, W2UI, treasurer at the meeting.

VE Examination

Just FYI, I scheduled an exam session for the next general meeting - January 7 @ 6PM. For more information, please contact Al Kozakiewicz, AB2ZY akozak@hourglass.com; 604-4128

know it, maybe hard to believe with the present cold and snow (at least as this is written). The June business meeting also includes election of officers and directors for the coming fiscal year. The board will form a nominating committee at the February board meeting to select nominees for these positions. Please also think about who might have the time, dedication to SARA, and inclination to accept one of these positions so the nominating committee can do its work in plenty of time for the election.

And as long as I am asking for things, suggestions for SARA general meeting programs are always welcome. Give them to Craig Wood, W2XAD, as he is handling this responsibility for the present fiscal year. SARA News article submissions are also very welcome. And I would be remiss if I did not quote Treasurer Tim Long W2UI: Dues cheerfully accepted!

Enjoy the winter. Spring propagation is coming soon. Prior Broughton Award Winners

Schenectady County Emergency Net

SARA members act as Net Control Stations for the Schenectady County Emergency Net (SCEN) on Sunday afternoons. The nets are open to all amateurs; ARES RACES membership is not required to participate. The purpose of the nets is to train, pass any traffic that you might have and any announcements of general interest.
