K2AE Repeaters

Meeting Monday, March 3, 2003 at 7:30 PM, Olin Hall, Union College

Public Service

There are no public service events scheduled for February.

On March 2, The Winter Marathon of the Hudson - Mohawk Roadrunners Club will be held. The Albany radio club is supporting this event and could use several volunteers from SARA. Ken Clikeman AA2CW has the details. He can be reached at 861-6825.

On May 4, SARA will again support the Crop Walk. Details will be given in the April edition of the NEWS.

River Watch

A potential flood situation exists this year in the event of a heavy thaw or rainstorm. Flood watchers may be needed. If you think a problem may exist and are able to help, **please monitor the SARA repeater, 147.06MHz, for any emergency activity.**

The National Weather Service puts out bulletins for weather watch and weather warning which can be heard on their NOAA weather radio, 162.55 MHz. They also will send bulletins as E-Mail to those interested. For more details and to sign up, use the Internet URL below.

Field Day Chairman Needed

SARA is looking for a volunteer to lead this year's Field Day activities. A new face is needed! Lots of help is available from our previous chairmen, so please consider taking on this task.

Are Our Records Up To Date?

SARA is planning to publish a new membership list. (See the minutes on page 2 for details.) We are asking all members to update our records for Name, Call, Address, Phone Number, and E-Mail Address, and **tell us how much, if any, of this information you want published in such a list.** Contact Tim Long, W2UI, at 399-7454, or E-Mail him at longt@empireone.net.

March Meeting

- Broadband connectivity and home networks
- Voice over IP (VoIP) and amateur radio

Demonstrations will utilize a laptop computer connected to the internet and to the excellent projection system at Olin Hall (The main reason for using Olin Hall).

Depending on interest and time, other Internet topics can be discussed. So bring your questions!

Important: The meeting will be at Olin Hall, Union College this meeting only. Future meetings will return to Niskayuna High School.

Directions for Olin Hall are on page 2. Talk-in is available on the 147.06 MHz SARA repeater.

April meeting preview:

Silent Keys

With sadness we record the passing of two of our well known hams. Our sympathies are extended to their families.

W2JHO Jim Hannell - Jim was well known on the 2-meter scene, and also as a figure in the capital at Albany with his news stand. His helpfulness in the tower legislative efforts was highlighted by Frank Fallon, ARRL Hudson Division Director. Jim's call was held first by his grandfather, Sam Hannell, and this writer was privileged to know Sam and spend time at his world grade station in Latham before WW-II.

WA2DWU Bob Janack – Always active in the local ham organizations, both SARA and the Saratoga Club, he had been in failing health for a number of years. A man of many talents, he was known for his abilities in water colors. His son, Jim, is N2JJ in Galway. Howard, W2ODC
