April, 2011

General Meeting, April 4th, 2011 at 7 PM, Niskayuna High School Little Theatre

Internet Device Security

by Bryan Flynn

Bryan will be presenting a discussion on the sudden increase and diversity of Internet connected embedded systems and devices, and the risks associated with their rush to market.

Bryan Flynn has ten years of Information Technology experience with a concentration in enterprise network communications and information security. He currently manages New York State and federally mandated information security projects for the New York Department of Public Service, which regulates energy, telecommunications, and water utility industries. Bryan is also the son in law of Jim K2PK

The SARA meeting will be held Monday, April 4th, 2011 at 7 PM in the Little Theatre of the Niskayuna High School on Balltown Road. Attendees should enter the school through the cafeteria entrance located on the side of the school, adjacent to the Nott Street Extension school parking lot.

Amateur radio operators and interested individuals are invited to attend.

ARRL HUDSON DIVISION AWARDS—2011

From the march issue of ARRL Hudson Division Beacon

Once again its time to submit Nominations for the ARRL Hudson Division Awards! This year, we are including a Nominations Form right here in the Beacon so that everyone will have easy access to submitting a worthy person to be honored at our Awards Luncheon.

Through 2010, 11 Award events have taken place, with 35 Hudson Division amateurs being so honored. All Nominations must be received by July 8 2011 and recipients will be announced in the July 2011 Beacon. The Nomination Form is also available for downloading and completing in both MS-Word and Adobe PDF formats from the Hudson Division Website (hudson.arrl.org)

In addition to honoring the award recipients, the Awards event raises money for the [ARRL's Spectrum Defense Fund](#).

Hamfest season just around the corner

Warm weather and piles of goodies in the basement, what a perfect combination to get up at O'Dark 30 and walk around a parking lot. Check out the local hamfests announced in SARA news and the interactive online calendar on the ARRL website at <http://www.arrl.org/hamfests-and-conventions-calendar>

Schenectady County Emergency Net

SARA members act as Net Control Stations for the Schenectady County Emergency Net (SCEN) on Sunday afternoons. The nets are open to all amateurs; ARES RACES membership is not required to participate. The purpose of the nets is to train, pass any traffic that you might have and any announcements of general interest.
