Schenectady Amateur Radio Association

P.O. Box 449
Schenectady, NY 12301-0449

Message from the President:

The Covid Pandemic seems to have abated, yet subvariants keep popping up. Last Wednesday we continued using hybrid SARA Board meetings, which are working well. **Hybrid Club meetings will continue next Monday, May 15, 2022.** Our speaker will present in person from the Alplaus fire-house. Each of you can decide to attend meetings via Zoom or in person at the Alplaus Fire Department. Masks are optional.

The SARA Election Committee, chaired by Jim Silva has published its slate of candidates in the April issue of SARA News and is reprinted in this issue. The club will vote at the June business meeting. Jim Stewart, Tim Long, and I have selected the next recipient of the Broughton Award. The award will be presented at our June meeting.

Spring is in the air--hence **Field Day** is not far off. Pandemic permitting, Field Day will resume after a 2-year hiatus. We have secured the field at the Rexford Fire House on Rt. 146 (Balltown Road) for the weekend. Tim has revised his antenna plans. Tim Long, Larry Zuravan, and I have started building shelving for our new trailer. As in the past we will hold a joint SARA-SMARA event.

'73,

Paul, WY2F

The May SARA meeting will be Hybrid: in-person at Alplaus Fire House and via Zoom.

Topic: Eastern NY Section ARRL Update

Speaker: John Fritze Jr., K2QY (in person at the Fire House)

Date: Monday, May 16, 2022

Time: 7:00—8:30 PM (Zoom link will be sent out separately prior to the meeting)

Abstract:

John will bring us up to date regarding both the ENY Section and the ARRL-- what has happened during the past two years.

About our speaker:

John was first licensed in 1977 as WA2TQW (novice), followed by Advanced and Extra Class as K2BCR. Since 2003, his call has been K2QY. He is an ARRL Life Member. John has been president and director of the Albany Amateur Radio Association (AARA) multiple times in the 1980s and again in 2010-2013, and currently serves on their board. He served as President of Albany County Amateur Communication Emergency Services (ACACES) 2013-2017, as Radio Officer for Albany County RACES/ARES, as the Albany County Emergency Coordinator, and as ARES ENY Northern District Emergency Coordinator since 2012. He is one of the first VEs in the country (1984), and is an instructor with Capital Area Radio Enthusiasts (CARES). He has served as Hudson Division Assistant Director, and is chairman for Digital Communications for ARES/RACES in ENY. John is an ARRL Field Instructor, Examiner, and VE. His amateur radio interests include DX, contesting, ISS, NBEMS, Winlink, APRS, Satellites, ISS, DXpeditions (to Bermuda, Barbados, St. Maarten...), Summits and National Parks on the Air, Home Brewing, public service events, QRP, Minimalist radio, Mobile HF, and Maritime Amateur Radio (HF and VHF/UHF)!

SARA Board Meeting May 11, 2022**Hybrid: in person at Alplaus Fire House and by Zoom****Present:**

Call to Order: Meeting opened by President Paul Siemers at 7:03 PM.

Secretary Meeting Notes: The Board approved the minutes of the meeting of April 13, 2022 as circulated to the board and published in SARA News.

Treasurer's Report: Treasurer Tim Long presented and discussed the treasurer's report previously circulated by email. It was moved, seconded and carried to receive Caden Cassano KD2YBZ as a new member. The board discussed estate equipment donated to SARA that is still available for sale. It was moved, seconded and carried to approve the Treasurer's report as presented.

Programs: Jim Silva and Bob Saltzman reported for the Program Committee on plans on programs for future meetings. They have a number of ideas under consideration.

Repeater: Paul Siemers reported that we now have a working replacement 2 meter repeater and a new controller ready for installation.

Public Service Events: Paul Siemers reported on a request for communications for the upcoming Niska-Day. The board referred this to James MacMurray.

Trailer Outfitting: Paul Siemers and Tim Long reported that outfitting the trailer is in process. Shelves are under construction in the trailer.

Broughton Award: Jim Stewart reported on preparations for the award presentation.

Field Day: Tim Long reported on the status of Field Day plans followed by board discussion.

New Business:

Jim Stewart led a discussion on a needed constitutional change to change the meeting date to the third Monday of the month. He will prepare a proposed change and circulate it and the required procedure to board members.

Board members discussed a communication regarding ARRL grants and decided not to consider this any further.

The board discussed the date of the next meeting. It was agreed that the next board meeting will be the second Wednesday of September.

Standing Request for SARA News Editor: The board is still looking for a volunteer to take over this position.

Meeting Adjourned at 8:26 PM.

Submitted by Jim Stewart K2PK, Secretary

Board member:	Paul Siemers, WY2F
Board member:	Bob Saltzman, WB2ARK

The annual Armed Forces Day military/amateur cross band test this year is scheduled for May 14. The schedule and list of military stations are given at:

<https://www.dodmars.org/mars-comex-information-website/armed-forces-day>

As usual, the date is a week before the annual Armed Forces Day observance to avoid conflict with the Dayton Hamvention. Military stations operate on military frequencies and amateur stations operate on ham bands, with the military stations announcing where they are listening. Careful operation of station equipment is required to be sure to transmit on amateur allocated frequencies.

Besides being a lot of fun, this is a unique opportunity for amateurs to legally contact non-amateur stations.

For Sale: From the estate of William Schultz, KB2IZ (SK)

K2AE Repeater Guidelines:

K2AE Repeaters are open and visitor friendly.

1. There will be a control operator monitoring at all times. If there is no control operator, the repeater will be unavailable. (97.103 and 97.105)
2. Control operators will not discourage anyone from using the repeater.
3. Conduct on the repeaters should be governed by common sense and courtesy. Conversations should be in plain language and suitable for all listeners. (97.112 and 97.113)
4. Commercial or business use is not allowed.
5. Pause a few seconds between transmissions. The repeater will recycle. This gives a chance for other users or emergency traffic to call in. (Give even a longer pause in the wintertime.)
6. If someone calls "break", operators should yield the frequency for emergency traffic. Yielding to a "breaking" or new station is common courtesy. New York State and Federal law prohibit interference with emergency traffic.
7. Operators are encouraged to use simplex whenever possible, and to use the minimum power necessary to maintain clear contact, i.e. 50 watts or more is not appropriate in close proximity to the repeater when 1 or 5 watts achieve full quieting. (97.313)
8. Use of the repeater for non-SARA public service events is prohibited unless permission from the Trustee is obtained. Please forward requests to: w2sfd@arrl.net.
9. In the event of an emergency (SKYWARN, flooding, extreme weather conditions, or other emergencies) control operators will turn the repeater on if it is down.

Schenectady County Emergency Net

Schenectady County ARES members act as Net Control Stations for the Schenectady County Emergency Net (SCEN) on Sunday afternoons. Emergency Coordinator: James MacMurray - N2UZQ
The nets are open to all amateurs. ARES or RACES membership is not required to participate. The purpose of the nets is for training, passing any traffic that you might have, and any announcements of general interest.
